A very nice, by invitation only, joint ASSE and John Ericson Society dinner meeting with some 55 persons in attendance was held on March 9, 2000, at the residence of the Consul General of Sweden, Mr Olle Wastberg and wife Inger. Professor Olaf Thulesius gave an interesting presentation of some of the accomplishments of the Swedish-American inventor, John Ericsson. No less than four past Presidents of ASSE and the current President were present, Jan Aminoff, Ulf Hammarskjold, Kjell Lagerstrom, Erik Mortenson and Erik Tornqvist. Both Societies, ASSE and JE Society are indebted to the Consul General and Mrs Wastberg for their graciousness to open their home for the evening.
